

INTELIZON

ZONLITE – 20TL

AFFORDABLE TUBELIGHT

ZONLITE-20TL (IP20 Compliant) is a 20W, highly efficient, reliable and cost effective LED tube light system replacing the fluorescent tube light.

KEY FEATURES

- Mid power LEDs with >120 lm/W
- >60% energy savings compared to fluorescent tube light luminaries
- Uniform, color consistent, soft and glare free light using PC diffuser.
- Retrofit for existing T8 tube light
- Wide voltage driver/stabilizer 90-270VAC
- 2KVA surge protection
- Simple to replace external driver
- IP20 Compliant
- 2yr system warranty

SPECIFICATIONS

Parameter	Units	Typical
Operating Voltage	VAC	90-270
Efficiency	-	>85%
p.f		>0.9
LED Power	W	17
Power Consumption (max.)	W	20
LED Lumen Output	lm	2050
Light output	Lux	95 (at 8ft height)
CCT	K	5200-6700
Short circuit protection		Yes
Overload protection		Yes
Open circuit protection		Yes
Surge protection		2KV
Tube light diameter	mm	25.4

Tube light length	mm	1200
IP compliant		20
Weight	gms	500
