

INTELIZON

ZONLITE – 9HCM

AFFORDABLE DOWNLIGHT

ZONLITE–9HCM (IP20 Compliant) is a compact 9W, highly efficient, reliable and cost effective LED downlight system.

KEY FEATURES

- High power LEDs with >130lm/W mounted on MCPCB
- >60% energy savings compared to CFL luminaries
- Uniform, color consistent, soft and glare free light using Polycarbonate diffuser.
- Innovative aluminum extruded heat sink for optimal thermal management
- External wide voltage driver/stabilizer 90-270VAC
- High voltage protection up to 300VAC
- Reliable and efficient electronics
- Suitable for recess mount applications
- IP20 Compliant
- 2yr system warranty

SPECIFICATIONS

Parameter	Units	9HCS(Cylindrical)
Operating Voltage	VAC	45-51
Efficiency	-	>80%
p.f		>0.8
LED Power	W	7.2
Power Consumption (max.)	W	9
CRI	-	>80
CCT	K	5200-6700
Light output (peak)	Lux	48 (at 8ft height)
LED Lumen Output	lm	1050
Short circuit protection		Yes
Overload protection		Yes
Open circuit protection		Yes
Surge protection		Yes
Outer dimension	mm	140

Cutout dimension	mm	110
Weight	gms	350
